

Prospect Land Services (BC) Ltd. is a Fort St. John based company specializing in providing Land Services to the Oil & Gas and Alternate Energy Industries. We encourage professional and personal growth within the company, and we offer competitive wages and comprehensive benefits.

We are currently accepting resumes for the following position: Surface Land Agent

Prospect Land Services is a multidisciplinary family of Land Agents, Project Coordinators and Land Administrators, providing land consultation, administration, and regulatory services within BC, Alberta and Saskatchewan. Prospect Land is a leader in the industry, with unparalleled knowledge and dedication from our employees. We are able to utilize cost effective and innovative solutions that help our clients navigate the various challenges that arise in the industry.

OVERVIEW

Prospect is currently accepting applications for a **Surface Land Agent** working in BC and Alberta. The successful candidate must be detail orientated and focused on the best outcomes for client representatives. Strong negotiation and problem solving skills will ensure success in this role.

CANDIDATE QUALIFICATIONS

- Valid Alberta Land Agent Licence and Valid Alberta Commissioners for Oaths Appointment
- Two years or more of land negotiation experience preferred
- Valid Driver's Licence, satisfactory driver's abstract, and reliable transportation
- Willingness to work in the field for extended periods of time
- Competent computer skills
- Agricultural background an asset
- Ability to multi-task and manage deadlines
- Strong analytical and problem solving skills
- Ability to work in a fast paced environment and collaborate with others
- Excellent verbal and written communication skills

RESPONSIBILITIES

- Acquire subsurface and surface rights for a wide range of projects including but not limited to oil and gas and utilities
- Liaise with landowners, industry stakeholders and client representatives
- Negotiate and complete damage assessments, rent reviews and temporary use agreements
- Keep informed on trends and items of interest relating to all aspects of land including but not limited to compensation, landowner concerns and industry developments
- Draft professional land documentation and various forms of contracts
- Assure quality control of all documentation and deliverables
- Maintain information and tracking systems
- Work with project managers, land administrators and clients as required

LOCATION

- The ideal candidate will be a resident of the NW Alberta or NEBC region.

ADDITIONAL INFORMATION

- Compensation is based on education and experience

Please email cover letter and resume to jhagen@prospectland.ca, Attention: John Hagen

We would like to thank all applicants for their interest; however only those selected for an interview will be contacted.
